

# Ways to Celebrate Founders Day

## Some ideas about how your PTA can celebrate this day are as follows:

- Display pictures and memorabilia describing PTA's more than 100-year history. (Visit National PTA's Historical Photo Archive at [www.pta.org/photoarchive/](http://www.pta.org/photoarchive/))
- Research and draw up your PTA's historic milestones. (See National PTA Milestones)
- Observe the inclusiveness of PTAs founding by organizing a culture festival celebrating your community's various ethnic and cultural groups.
- Present Honorary Life Memberships to past PTA presidents and other volunteers who have made a tremendous impact in their communities.
- Invite all past living PTA presidents to attend a special meeting.
- Put on a musical revue, play, or pageant.
- Send a Founders Day gift to National PTA,.
- Locate and highlight any resolutions that your PTA sent forward to the state or National PTA.
- Share information from National PTA through mailings to members.
- Celebrate each year of National PTA with a scoop of ice cream to be shared with students at a special party.
- Challenge students to research PTA and create a school display or mural.
